EC – Certificate of Conformity

0615 – CPD – 218676G

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

- Scope:** Thermal insulation for buildings - Factory made mineral wool (MW)
- Product description:** Thermal insulation of glassfiber in different dimensions, with or without facing according to the attached list of products.
- Manufacturer:** Saint-Gobain Isover Romania SRL, Mihai Bravu 233, 100410, Ploiesti
or its authorised representative marketing the product
- Productions site(s):** Ploiesti Line D

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that Bureau Veritas Certification Denmark A/S has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard **EN 13162** were applied and that the product fulfils all the prescribed requirements.

*This certificate was first issued on **02-09-2007** and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.*

The validation of the certificate must be confirmed once a year. The latest date of validation is published on our website <http://www.bvcertforum.dk/ceref>

Issued: 07/09/2007
